

# Bleeding Nose Blues

I woke up early this morning  
Woke up from my sweet dreaming  
And there was no joy in it  
There was no joy in it  
Oooh  
Bleeding Nose Blues

I woke up early this morning  
My body was numb, my brain unclear  
And seemingly without  
Without any cause  
Bleeding  
Was my nose

I woke up early this morning  
And first I tamponed the blood from my nose  
And then, listening to some music  
A live album by U.F.O.  
I wrote  
This Bleeding Nose Blues
